County Engineer

HARVEST EMERGENCY PERMIT

This permit grants permission to the applicant to use only roads under the jurisdiction of Whiteside County for the sole use of hauling grains harvested from the field to a local storage facility at the temporary maximum weight limit of 88,000 lbs GVW in accordance with the "Harvest Emergency" period of September 1 to December 31. This permit **does not** give permission for access to roads belonging to other jurisdictions such as township, municipality, or the State. Permits must be obtained from the other agencies to use their roads in this manner. Furthermore, it does not include permission to exceed any weight limits for structures designated as "Legal Load Only" or are otherwise "Posted" as shown on the attached map.

Please complete information and fax to 815-772-4870. Applications cannot be processed with incomplete information.
