Truck Permit Applicants

Re: Oversize/Overweight Permits for Whiteside County Highway Dept. Roads

Beginning December 1, 2023, a new fee schedule and procedure for issuance of Oversize/Overweight Permits for the Whiteside County Highway Department was implemented.

Permits will be issued through Oxcart Permit Systems, [www.oxcartpermits.com](http://www.oxcartpermits.com). All truck permits will have to be submitted for approval through this website.

All applicants will have to first establish an account with Oxcart. Once an account is established, the user can choose to start a new application under the **Oversize/Overweight Application** tab. From there, click on the **Select Municipality** box and select **Whiteside Highway Department, County of** from the drop-down list. Complete all of the requested information to submit the permit. Whiteside County staff will receive notifications of permit requests immediately and generally will be able to approve the permit almost immediately as well, unless the load requires an evaluation for a structure.

This change should expedite the issuance of the permits and payment by credit card will be made through Oxcart. If you have any questions, please contact the office.

Russell L. Renner, P.E., S.E.  
County Engineer

Re: Overweight/Oversize Permits for Whiteside County Highway Dept. Roads

Beginning December 1, 2023, a new fee schedule and procedure for issuance of Overweight/Oversize Permits for the Whiteside County Highway Department will be implemented.

Permits will be issued through Oxcart Permit Systems, [www.oxcartpermits.com](http://www.oxcartpermits.com). A link on Whiteside County's website will direct you to the permits for Whiteside County. This change should expedite the issuance of the permits and payment by credit card will be made through Oxcart. Once the Overweight/Oversize permit form is completed through Oxcart an email will be sent to the Highway Department staff to approve. Enclosed is a copy of the Ordinance with the new fee schedule. If you have any questions, please let us know.

Sincerely,

Russell L. Renner, P.E., S.E.  
County Engineer
